Attention Fighter:

Listed below are the requirements for fighters on all WKA-sanctioned cards. Please print your physical form and this cover letter and take them to your physician:

- Fighter physical - please fill out the first page of your physical BEFORE going to the doctor's office. This is the page where you fill in your medical history for the doctor to review before he/she completes the examination on the subsequent page (amateur) or pages (professional). Physicals missing the portion to be completed by the fighter will NOT be accepted.
- All medicals must be received **NO LATER** than two weeks before your fight.

Physicians' Guide:

Physical:

- ALL pages of the physical must be filled out and included. Please ensure that the fighter has filled out the first page of the physical and that you have reviewed it so that you are familiar with the fighter's medical history **before** completing the examination portion and that you fax the physical in its entirety.
- Please remember to fill in the fighter's name on each page of the physical.
- Please date the physical with the examination date next to your signature.
- Please remember to check the box/bubble that indicates whether or not the fighter is cleared to participate. A completed physical alone does not necessarily indicate to us whether or not a fighter is medically fit to participate - thus, we have included a box that you can check to indicate this.

Sending a Fighter's Physical/Bloodwork:

- **Submit Online:** <https://airtable.com/appIGufrgQkECbRvo/pagQFss2SthiSPk1z/form>
- Or, fax directly to the WKA at **(804) 977-6249** from the doctor's office and/or lab.
- Additionally, please keep hard copies for yourself.

If you have any questions, please e-mail our administrative office at admin@wkausa.com
