Dear Headteacher,

Request for leave of absence for the child presenting this letter

The above student is registered to compete in the Amateur Rules Muaythai Welsh Cup at Ty Mawr Holiday park, Abergele. The event runs from Friday 6th to Monday 9th November 2026.

Our events regularly host fighters from 20+ different countries, so it really is a fantastic opportunity to take part in a world class event, and an incredible honor to be selected by their team to attend alongside many other elite athletes.

As well as the competition there are also learning opportunities with seminars with elite world champion star athletes. To have this experience alone is a once in a lifetime opportunity.

I appreciate this letter is vague however with hundreds of students requesting an official letter, I would like to direct you to the tournament page where you can have verification of their attendance once we make the draws live.
