Dear Headteacher,

Request for leave of absence for the child presenting this letter

The above student is registered to compete in the amateur rules muaythai Welsh Cup at Ty Mawr, Holiday Park, Towyn Road Abergele, . The event runs from Friday 7th to Monday 10th November 2025.

Our events regularly host fighters from 20+ different countries, so it really is a fantastic opportunity to take part in a world class event, and an incredible honor to be selected by their team to attend alongside many other elite athletes.

As well as the competition there are also learning opportunities with seminars with elite world champion star athletes. This year we are bringing the legend "Saenchai" Muaythai's greatest ever athlete. To have this experience alone is a once in a lifetime opportunity.

I appreciate this letter is vague however with hundreds of students requesting an official letter, I would like to direct you to the tournament page where you can have verification of their attendance once we make the draws live.
