

COACHES UPDATE

Dear Sensei's,

I hope you are all well and ready and for Sundays' Championships. This is just a quick update to inform you of the running order and registration procedures to ensure the day runs as smoothly as possible.

- Upon arrival please report to the club registration table and collect your coach's information pack. This will include individual competitor wristbands and individual competitor cards which detail the event names and numbers which each competitor is entered into. There are also yellow team kumite cards that must be completed with the order in which the individuals will fight.
- Only registered coaches and officials will be allowed beyond the barriers around the tatamis.
- Spectators who have pre-paid for their tickets must print them beforehand and present them at the spectators **pre-paid** table. Those who have not pre-paid will have to pay £7 at the door.
- Medals will be presented after each event concludes and winners invited to pose for photos on the podium.
- Only one official photographer per club will be allowed beyond the tatami barriers providing a photography licence is completed upon arrival. Spectators may also take photos but will not be allowed within the barriers.
- The event will be streamed live on the Luton Karate Academy Facebook page subject to conditions.
- Please see below for the scheduled running order for the event (subject to change).
