Fellow Chinese Martial Arts Enthusiasts and Friends,

The Traditional Chinese Martial Arts Federation (TCMAF) is pleased to bring to you the Golden Dragon Championships after two years of COVID driven interruption. The 2022 tournament promises not only to carry forward the traditions of past Golden Dragon Championships and Tempt One Championships, but will also introduce the Chinese wrestling (Suai Jiao) competition and new guidelines for the Grand Champions contest.

Consistent with past practice, the Golden Dragon Championships 2022 and its partner, the Chinese Chamber of Commerce, will direct the fundraising efforts to assist patients and families afflicted by the debilitating disease known as ALS. The competitor's fees, spectator fees, concession sales, personal donations and corporate sponsorships will be used to assist patients with the cost of physical therapy, caregiver costs and purchase of nutritional supplements.

The mission of the TCMAF is to preserve and promote the values of the arts we treasure and this tournament is one of the tangible vehicles that will help to reach this goal. We encourage enthusiasts of all ages, genders and experience levels to join us on November 12 to share your skills and meet friends of old and new.

Lastly TCMAF and the tournament organizing committee extend our heartfelt thank-you to all the volunteers, competitors, parents and sponsors. This tournament cannot succeed without your support!

Sincerely,

James Van
Tournament Director
