The decision of the approved medical team is final and will be upheld by the ITFU England Umpire's Committee and competition organisers.

If the injured competitor and/or their coach do not accept the decision of the medical team and the ring council, the competitor will be disqualified and withdrawn from the competition.

## **WEIGHT CHECK PROCEDURE**

Wherever possible, the weigh-in will be held at a specified time the day before the competition. There will also be an option to weigh in on the morning of the event. Details of this will be published closer to the time of the event.

Competitors can weigh-in wearing the clothing of their choice and should additional privacy be required; this can be requested upon reaching the weigh-in desk.
