

## WUMA ENGLAND CATEGORIES 2022

Time Training refers to the time passed since your first martial arts lesson, any breaks in training since your first lesson are INCLUDED in time training. E.g. first class 3 years ago, trained for 1 year, had 2 years off, come back for a month, this person would be +2years. Anyone found in the -2years category who should not be, will be removed.

Categories must have a minimum of 2 competitors to run, or competitors will be moved to the next available category. Anyone found in the wrong weight/height category will be moved or disqualified. All weights/heights will be checked at the event. If your weight height is incorrect you may be moved (if possible) or disqualified.
